

Neighbourhood Plan Steering Group Meeting Agenda
Tuesday, 10th September 2019, 7.00pm – Frogmore Community College,
Potley Hill Road, Yateley, GU46 6AG

1. Welcome & Apologies for Absence
2. Notes from the last Meeting on 9th July 2019 & Matters Arising
3. Draft Neighbourhood Plan Policies – to record designated responsibility for each area & to receive policy research updates (see attached document)
4. Hart Local Plan – preservation of strategic gaps
5. YTC Newsletter Feature – to review draft (to follow)
6. Duke of Edinburgh's Award – to agree utilising scheme volunteers and consider what tasks they could complete to support the NP process
7. Any Other Business
8. To Agree Dates for the Next Meetings:
 - 5th November or 3rd December 2019
 - 7th or 21st January 2020

Update Notes:

- Request for Cllr representative from Eversley Parish Council issued. Eversley PC discussed the request at their meeting on 03.09.19. They are unable to attend our NPSG meeting next week but may be able to send someone for the next meeting. Their main concerns relate to the volume, speed and type of traffic (HGVs) travelling through their village.
- Information about NP consultants will be shared at the next meeting as I will be requesting recommendations at the next local Clerks' meeting on 17th September. In the meantime, the following consultants have been used by other local Councils: Troy Planning & Design (Hartley Wintney PC) - <https://troyplanning.com/neighbourhood-planning/> and O'Neill Homer (Fleet TC, Odiham PC) - www.oneillhomer.co.uk/
- YTC Newsletter – I am making some final changes to the draft NP feature and will forward the document to the Steering Group prior to the meeting.
- Gill Gray and Rayner Mayer have been working on a letter to go to all parish schools encourage dialogue about carbon neutrality and improving public transport, walking and cycling routes. I will be circulating this to the schools shortly.
